

ECO-LOGIS

ECO-LOGIS

A 3D architectural rendering of a small, single-story wooden cabin. The cabin features a dark grey, textured roof and light-colored horizontal wood siding. It has a gabled roofline on the left side with a window and shutters, and a larger window with shutters on the right side. The cabin is set on a green lawn. The text "ECO-LOGIS" is overlaid in the center of the image.
